## About Conference City

Hangzhou, the capital of Zhejiang Province, is one of the central cities of the Yangtze River Delta, a pilot area for digital agriculture development, and a central city of the G60 science and innovation corridor. Hangzhou is a famous historical and cultural city in China, with a history of more than 2200 years. The representative and famous part which are West Lake culture, silk culture, tea culture, etc., are known as "the heaven on earth". It is the venue for the 11th G20 Summit in 2016, the 2018 World Short Pool Swimming Championships, and the 2023 Asian Games.
